CERTIFICATE IV IN
FITNESS

PERSONAL TRAINER

WHO WE ARE

We're the experts in Online Health & Fitness Education

With over a decade of experience in delivering online courses & qualifications for careers in health & fitness.

We're a family owned, Australian business

Don & Rhonda Bacchi founded Onfit Training College in 2008. After decades working in the fitness industry, they found there was a gap in the knowledge & skills of new trainers entering the industry. Passionate about helping the next generation of professionals succeed, they applied their experience & partnered with expert educators, to build courses that would provide quality education, critical business skills & were industry relevant. Proud of achieving this mission, Onfit Training College continues to strive to work with the best, to ensure our graduates received the highest quality education & outcomes for their career.

We're forward thinkers.

We know you're not looking for a short-term career, you want to feel confident that what you're learning will equip you for the future of the health & fitness industry. Our team is constantly updating, researching & connecting with industry leaders, to ensure our courses are cutting edge.

YOUR CAREER ADVANTAGE

OUR EDUCATORS

Our fitness educators are highly qualified exercise physiologists, sports scientists, nutritionists, exercise specialists. They've also all worked as fitness professionals & have over 100 years of collective experience to share with you.

OUR REPUTATION

We work with many different fitness organisations to help bring you true industry insights and ensure your readiness for the health and fitness industry. In addition to this, we are proud to be the preferred Australian education provider for one of the largest fitness organisations in the world, F45 Training, showing that Onfit's reputation for quality education recognised on a global scale

OUR COURSES

One of the most important aspects of career success is in the quality of education you receive, after all it's what you do on the job that will really count. Clint Holland

Certificate III & IV in Fitness, Kettlebell Fundamentals, Boxing for Fitness & Altitude Training Graduate

Owner of NuPeak

"If you're considering a career in the fitness industry I'd only recommend Onfit. For me personally, that's how good they've been to me and how supportive they've been... I wouldn't recommend anyone else."

Kylie Papazoglou

Certificate III & IV in Fitness Graduate

Owner of FemFitLife, specialising in Women's Fitness Coaching.

"After 15 years of working in a corporate office job and teaching dance and fitness part time, I decided it was time to pursue my dream of coaching full time, to help others to improve their health and vitality. So now my goal now is to serve my clients and guide them to optimal well-being. With my expertise in fitness and my current holistic approach to well-being, I strive to ensure my clients become fit, functional and fulfilled through our coaching together."

Completed the Cert111 on line from Melbourne. The course was easy to follow & relevant. Subject material was easy to follow & engaging. Assessments were marked & feedback given promptly. The education support was outstanding . Always encouraging & supportive.

"can't recommend ONFIT enough to study with.

I recently finished my Cert IV in Fitness. Throughout the last 2 years with the COVID lockdowns, the trainers and assessors from OnFit were so helpful in working out ways to suit our circumstances.

The student support was amazing with my emails answered by 9am the next day 9/10 times.
